Description

Pressalit Nursing Bench 1000, a 1800mm length fixed height nursing bench with safety rail. When not in use the bench can be folded away.

The 1000 series is a range of quality nursing benches with PVC coated canvas stretchers.

Suitable for changing adults in a variety of settings including schools, day care centres, institutions, hospitals and private homes.

Height:

- When mounted at the recommended height, the lying surface height is 850mm above floor

Specification:

- Shower and changing table 1000, fixed height
- Length (mm): 1800
- Outer dimensions (mm): 747 x 1800
- Slip resistant material
- Warm surface
- Foldable, changing table and safety rail
- Splash curtain (optional) for the nursing bench protects the carer against splashing (order separately)
- Integrated gas cylinders enable the table to be folded out of the way when not in use to maximise floor space in front of the unit
- The table is made from practical and durable PVC canvas which is phthalate free
- Materials: The frame is Rilsan powder-coated steel
- Maximum user weight (kg): 150
- Wall fixing kit is not included, see PDF download for more information

Declaration of conformity:

- This product is in compliance with all relevant requirements of regulation (EU) 2017/745 on medical devices

Manufacturer warranty:

- **Note:** If the product is installed in an atmosphere heavy in salt or chloride, the warranty of the nursing bench will be reduced from the normal 3 years to 1 year. Salt and chloride have a corrosive effect on the products components and will cause a decrease in the life expectancy of the product. The damaging effects can, however, be reduced if the product is showered with tap water on a daily basis.
