Description

The MATRIX Small wash basin has two integrated handrails in the front.

It is ideal for bathrooms where space is limited but there is still a need for a solid, practical wash basin.

Its shallow basin design leaves enough space for a wheelchair user to manoeuvre underneath and reach the tap.

Key benefits:

- Small washbasin with two Integrated hand grips for support and stand/sit aid
- Ergonomic shape for wheelchair access underneath
- The wash basin has raised edges, preventing water from running over the back or down the outer sides
- Manufactured from cultured white marble with a high-polished, pore-free sanitary gel coating
- No overflow
- Can be mounted on height adjustable brackets from the Pressalit PLUS and SELECT ranges
- Easy to clean
