£81.82 Inc. VAT

Product Code: USG1-T150SS

Product Images

Description

The McAlpine USG1 gully with a square frame top designed for tiled floor wet room installations.

To be used in conjunction with a shower waste pump, it has a 150mm stainless steel square grate, ideal for use with up to 8mm depth floor tiles.

Key benefits:

- Two-piece gully designed for use with timber floors and floor formers and can be plumbed prior to installation of the floor or former
- Manufactured in white ABS - will withstand wheelchair loadings
- Designed for use in floor formers
- Stainless steel 150mm square grate for up to 8mm thick floor tiles with removable circular grate
- The circular grate has a rubber gasket to the underside - with no top fixing screws
- Top access - easy to clean
- Includes screw down clamping ring for fitting tanking gasket as part of wet room tiled floor system
- 200mm overall diameter
- 45mm depth
- 22mm outlet, with 70mm extension pipe

Alternative product code:

- Contour Showers (Product code: 08GU22)
