£73.80 Inc. VAT

Product Code: 4B10435

Product Images

Description

Stainless steel large lever handle and lock set, designed for use on swing, pivot, sliding, leaf and half sliding/folding door sets.

When the door is in the unlocked position, the handle will be in the upright position, with the indicator showing green.

When locked the handle is moved to the horizontal position with the indicator showing red.

Key benefits:

- Unhanded
- Large stainless steel lever handle
- Emergency release indicator
- Turn operated claw bolt lock
- Self adhesive instruction badge - reads "Depress lever to lock"
- Bolt through fixings included

Technical details:

- Installation: Bolt through fixing
- Length (mm): 150
- Height (mm): 134
- Depth (mm): 76
- Rose/escutcheon dia. (mm): 50

Note: The image shown is for anti-clockwise operation - for clockwise operation the lock will need to be installed upside down.

Please note: It is recommended that a face fixed pull handle is mounted on the outer face (not included).
