Granberg LED Lighting Rack for Fixed Cabinet Installations

£288.36 Inc. VAT

Product Code: 61931

Product Images

Description

This lighting rack can be installed below static cabinets in the kitchen to illuminate the work surface underneath.

It is ideal for maintaining even lighting throughout the kitchen when Diago or Verti systems have been installed elsewhere with LED lighting racks.

The light is energy-saving, does not get hot, and features an individual on/off button.

Technical details:

- Width (mm): 340
- Height (mm): 13
- Depth (mm): 40
- Connects to a 230 V socket via the supplied transformer
- Colour temperature: Normal white 4000K, 6.0 W

Warranty:

- 2 year manufacturer warranty
