£352.07 Inc. VAT

Product Code: AC50010CP

Product Images

Description

Thermostatic bath filler mixer tap from the Inta Acura range.

The tap is for wall mounting and features anti-scald temperature protection.

The Acura thermostatic bath filler is also ideal for domestic purposes with its stylish appearance and for use by those with limited hand dexterity.

Key benefits:

- Specifically designed and manufactured to meet the requirements of BS 7942: 2000 and NHS D08
- System installation: Unvented, Pressurised, Gravity and Combination Boilers
- Thermal cartridge technology
- Fail safe protection on both the hot and cold supplies
- Lever handles
- Wall mounted
- Matching range of Acura showers and basin mixer taps

Safety:

- Anti-scald - water is prevented from reaching a temperature hot enough to burn

Technical details:

- Max inlet pressure (static): 5 bar
- Min inlet pressure (dynamic): 0.2 bar
- Max inlet temperature: 85°C
- Inlet connections: G ¾" F BSP (valve body)
- Min temperature differential to achieve failsafe: 15°C
