Description

The Throne Accessories 3-in-1 rail is designed to increase the safety and comfort of a range of users with average to larger builds.

It provides support close to the body, enabling the user to lower and rise safely when using the toilet.

The support arms can be folded into various positions, or individually removed altogether, increasing the flexibility of the installation for multiple users.

This version includes a 50mm toilet seat spacer, allowing the seat height to be raised without installing a toilet plinth.

Key benefits:

- Toilet surround support with folding support arms
- Securely fixes to the WC pan - suitable for close coupled or low level designs
- One or both arms can be easily folded or removed altogether - increases flexibility of the install for multiple users
- Mild steel construction with white powder coated finish
- Includes 50mm toilet spacer - raises the height of the toilet seat without installing a toilet plinth

Toilet seat spacer compatibility:

- 50mm height, with 30mm recess into toilet pan
- Suitable for toilet pans with an overall depth of 475mm (see plan drawing)
- Suitable for toilet pans with an overall width of 350mm (see plan drawing)
- Suitable for toilet pans with 150mm centre-to-centre seat lid fixings
- Compatible with the Bio-Bidet range of electronic toilet seats
