Innovations Fabric Tanking Jointing Tape - 10m

£17.47 Inc. VAT

Product Code: TK010

Product Images

Description

Innovations fabric tank jointing tape, 100mm wide x 10m length roll.

The tape is for bridging and reinforcing the joint between a floor former and the floor, wall and floor joints, internal vertical corners. The fabric should be painted with a liquid waterproofing membrane to create a waterproof and flexible joint. It is also ideal for creating waterproof lap joints when installing tile backer boards and or a waterproof tanking sheet.

Key benefits:

- Fabric jointing tape
