Description

The Granberg Basicline 401-1 is a height adjustable bracket mounting for washbasins.

Manually adjustable in 50mm increments, it is ideal for situations where the height is not to be adjusted every day.

The system includes integrated mirror and lighting, which move in tandem with the basin.

Key benefits:

- Height adjustable bracket for basins
- Discreet styling

- Manual - intended for environments where only occasional height adjustment is required
- Provides 250mm of adjustment in 50mm increments, via hooks on back of panel and 2x securing bolts at bottom of panel
- Includes mirror and lighting which moves in tandem with the basin (available separately)

Technical details:

- Width of bracket (mm): 600
- Depth of bracket (mm): 37
- Height adjustment (mm): 250
- Basin centre-to-centre fixings (mm): 280 or 350
- Maximum depth (mm): 600 (for basin available separately)
- Free space below the unit for plumbing connections (available separately)
- Max washbasin load (kg): 40

Lighting technical details:

- Lighting: Aluminium/plastic, Colour: Chrome
- LED lighting 12V / 6-8W, 4000K (connected to an external switch)
- Transformer: Primary (in) 220-240 V, Secondary (out) 12V

Warranty:

- 2 year manufacturer warranty

Order separately:

- Washbasin, tap, 500mm flexible tap feeds and flexible drain hose with water trap
