£328.08 Inc. VAT

Product Code: 425-105

Product Images

Description

The Granberg 425-105 is a thermostatic monobloc mixer tap for washbasins.

Features built-in flow and temperature controls.

Key benefits:

- Chromium plated brass
- Eco Flow (energy and water saving aerator)
- Extra long lever, providing an easier grip for weak hands
- Soft action with ceramic shut-off
- Built-in, easily adjustable flow control and temperature limiter
- With soft PEX pipe connections
- Cold start feature - tap produces cold water in central position rather than lukewarm for extra energy saving

Technical details:

- Spout projection (mm): 100
- Tap height (mm): 157
- Lever length (mm): 150
- Soft PEX connecting pipe length (mm): 360mm
- Required mounting hole dia. (mm) 33.5–37
- Max. mounting surface thickness (mm): 40
- Manufactured by FM Mattsson based on the 9000 E Series washbasin taps
- See PDF download for more information

Warranty:

- 5 years Pressure Guarantee

Note:

- This tap is not TMV or WRAS approved for commercial use in the UK
