Description

Manufactured from stainless steel, this Purus square gully cover in Art Deco design will add the finishing touch to any tiled wet room floor.

The two-part grate is designed for use with all 130mm and 150mm diameter Purus wastes including the all

www.independent4life.co.uk | info@independent4life.co.uk | Tel: 0800 500 3001 | VAT No: 942447711

EORI GB942447711000

Purus "Mini", Max, Oden, Brage, and S-Series or our pumped waste systems.

The frame should be placed centrally over the gully so to allow full access to the trap for cleaning.

Start tiling the floor former from the edge of the frame outwards, on completion of the grouting fill the joint between the frame and tiles with silicone sealant.
