Description

The Granberg 346 is a freestanding motorised, rechargeable battery, powered 400mm height adjustable changing trolley with folding sides and a water-resistant washing / shower area.

It has been designed with space beneath the work surface for carers and for mobile hoist systems.

It can be connected to a drain via the flexible hose. The trolley is fully mobile with lockable castor wheels.

Key benefits:

- 1800mm wide freestanding shower table with lockable castor wheels
- Stable construction

- Easy-to-use hand control with flexible cable
- Electrically height adjustable 590 - 990mm above floor
- 4x Folding gates
- Metal parts, powder coated stainless steel
- Nursing bench in laminate with mattress
- Folding gates with locking function
- Water-resistant laminate tabletop with ABS edging
- Connects to drain via flexible hoses
- 30mm thick mattress - all-welded with sealed surface
- Electronic components approved according to EN 60601-1 for medical electrical equipment
- Rechargeable battery operation
- The shower trolley is delivered assembled on a pallet

Standard equipment:

- Mattress
- Hand control with flexible cable
- x4 Folding gates with locking function
- Drainage hose
- Battery operation

Technical details:

- Installation: Freestanding
- Internal width (mm): 1800
- Overall width - end gates extended (mm): 2025
- Internal depth (mm): 706
- External depth - side gates extended (mm): 925
- Border height (mm): 200
- Mattress W x D x H (mm): 1800 x 700 x 30
- Speed of operation: 18mm / sec
- Height adjustment range above the floor (mm): 590 - 990
- Operation: Corded hand control
- Electrical connection: 230 V ~ 50 Hz 230 VA
- IP-class: IPX6
- Drainage connection: Flexible hose, length 1200mm, exterior diameter 46mm
- Max. user weight (kg): 200

Battery box:

- Continuous connection to power supply is not needed with battery operation
- The battery box is located between control box and power point
- Capacity: 1.3 Ah 24V
- Size W x D x H (mm): 106 x 138 x 68

Materials:

- Nursing table panel: 12 mm white compact laminate with black core
- Sheet-metal parts: Powder coated stainless plate - Grey
- Electronics: Components approved according to EN 60601-1 for medical electrical equipment
- Mattress: All-welded with sealed surface

Warranty:

- 2-year manufacturer warranty

Returns: Please note:

- Due health and hygiene and infection control this product is non-returnable
